“There couldn’t be a more exciting time to be a member of the extended family for Cyclone football.

A successful future for Cyclone football rests largely upon the personal investment of people like you in the Cyclone Gridiron Club. Whether it’s buying tickets, donating to the club, inviting a neighbor to Jack Trice Stadium or simply listening to a game on the radio, your contributions are the core of future results. Thank you for your past support of Iowa State football, and Go Cyclones!”

JAMIE POLLARD | DIRECTOR OF ATHLETICS

More than 200 people attended the Letterwinners Tailgate in November.

The Gridiron Club chartered two planes for a three night trip to watch the Cyclones beat the Minnesota Gophers.

“The Cyclone Gridiron Club is a tremendous asset for Iowa State University and the Cyclone football program. The club provides great support for the team through fundraising activities, and it adds to the excitement of our Cyclone home football games with tailgates and other events. All of us at Iowa State – especially the student-athletes, coaches and Athletics Department staff – appreciate what the Cyclone Gridiron Club does for the university and for Cyclone football. I urge you to become a part of this very important and fun organization.”

“Every winning college football program nationally has, at its core, a committed group of people dedicated specifically to making and sustaining that school’s gridiron success. That is what the Cyclone Gridiron Club does for us. The existence and generosity of the Gridiron Club allows us to have the resources to fashion an Iowa State football legacy that is worthy of a great university like ISU. The Gridiron Club funds many day-to-day needs which are necessary to building a winning program in the nation’s premier football conference.”
